- I. Client does not submit Corrective Action Plan for the Non Conformity raised within 20 working days as stipulated above
- II. In case of major Non Conformity the verification of effective of corrective action is not completed within 90 days as stipulated above

3.5 RECOMMENDATION FOR CERTIFICATION

ESCPL shall recommend certification of the client's management system, based on the following

- (a) ESCPL has reviewed the audit reports and has accepted the recommendations of the audit team
- (b) The client has submitted the correction and corrective action for the non conformities raised within the stipulated time and ESCPL has accepted the same
- (c) In case of a major non-conformance, the effectiveness of correction and corrective action is verified by ESCPL's auditors as agreed and the non-conformity either closed or down graded to minor.

If the client is not recommended for certification ESCPL shall accordingly inform the client.

3.6 ISSUE OF CERTIFICATE

ESCPL shall issue the certificate against the applicable standard to the client provided that,

- ESCPL has verified the effectiveness of the corrective actions in case of major non-conformances or accepted the corrective actions for minor non-conformances as stated in section 3.4. or as required by the specific management system standard
- ESCPL has taken a decision in client's favour.

The Certificate is the property of Equalitas Systemcert Pvt. Ltd. and shall be produced to ESCPL as and when requested.

The certification will be valid for a period of three years from the date of approval of certification, subject to the satisfactory maintenance of the Management System as confirmed through agreed surveillance audits

3.7 SURVEILLANCE AUDIT

Surveillance audits shall be conducted regularly at the client site once in a calendar year to confirm that the Client's Management System continues to conform to the requirements of the standard to which it is certified.

The date of the first surveillance audit following initial certification is never more than 12 months from the certification decision date and failure to comply with this requirement will lead to suspension and subsequently withdrawal of certification.

For the non-conformity raised during the surveillance audit the conditions stipulated in section 3.5 shall be applicable

In the case that a surveillance audit cannot be carried out because the client's operations are affected owing to factors outside its control, e.g.: employee union strike, natural calamity, etc. the case shall be presented to ESCPL for a decision.

ESCPL shall submit a formal report to the client

3.8 RE-CERTIFICATION AUDIT

The purpose of re-certification audit is to confirm the continued conformity and effectiveness of the client's management system as a whole and its continued relevance and applicability for the scope of certification.

The Re-Certification audit shall include site audit and shall consider the performance of management system over the period of certification and shall also include a review of previous surveillance audit reports. The re-certification

audit may have a stage –1 audit in situations where there have been significant changes to the management system, the client or changes to legislation.

ESCPL shall conduct the re-certification audit at least 60 days in advance to the expiration of certification so that the client has time to implement corrective actions before the expiry of the certification

For non-conformities raised during the audit, the conditions specified in section 3.4 become applicable. ESCPL shall submit a formal report to the client.
